Star Teacher!

We are so excited to recognize Miss Sophie as our Employee Star of the Month at our Niagara Falls Boulevard center! Sophie is an incredibly reliable and hardworking team member who brings a calm, positive, and caring energy to our center each and every day. No matter what is asked of her, she's always willing to jump in with a smile and help wherever she's needed.

Although Miss Sophie primarily works in the infant room, she's truly a flexible and dependable asset throughout the entire center. Her ability to seamlessly transition between age groups speaks to her strong knowledge of child development and her natural way with children. She is loved by all the little ones she works with, and it's clear just how much she genuinely cares for each and every child in her care.

Sophie is also the kind of team member who never hesitates to go the extra mile. Whether it's coming in early, staying late, or stepping in to support a coworker—she is always there without hesitation. Her willingness to help, paired with her kind and supportive nature, makes her such a valuable part of our Bunny Bunch family.

We are truly lucky to have Miss Sophie as part of our team. Her work ethic, positive attitude, and dedication to both the children and her coworkers do not go unnoticed. Congratulations, Miss Sophie, and thank you for all that you do!

INFANT ROOM AUGUST NEWS

Weekly Themes:

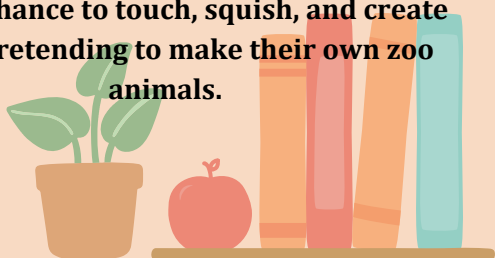

August is going to be a wild and wonderful month in the Infant Room as we explore our Zoo Animals theme! We have so many fun activities planned that will keep our little ones busy creating, singing, and learning about different animals each week.

Week 1 will start off with adorable footprint zebras that the infants will create with the help of their teachers. We'll also be singing "Counting Critters," a fun and interactive song that helps us learn numbers while thinking about our favorite animals.

Week 2 we'll be making a handprint elephant to add to our zoo collection! We'll also spend time reading books all about owls and polar bears, introducing the children to different animals they might see at the zoo—or in the wild!

Week 3 will be all about our silly monkeys! The infants will make a tissue paper monkey craft and have fun singing "The Zebra Story," a playful song that encourages listening and movement.

Week 4 we'll wrap up our zoo theme with bold and colorful handprint lions. The babies will also get to explore animal play dough, giving them a chance to touch, squish, and create while pretending to make their own zoo animals.

Important notes and reminders

- We will be sending home any swaddles or sleepsacks at the end of each week to be washed. Thank you!

He has adjusted so well to our classroom and has quickly become such a happy and loved part of our Bunny Bunch family. Desmond's gentle, go-with-the-flow personality makes him such a joy to care for. He loves snuggling with his teachers, giggling during playtime, and spending time with his friends.

Whether he's exploring new toys, listening to stories during book time, or watching the world around him with curiosity, he is always eager to take in new experiences.
