Infant Star Of The Month!

Congratulations to our Infant Star Of The Month, **Ripley!!**

Ripley is very cute, very happy, and very fun to have in our Infant Room! He is always having the best time and we love seeing all of the cute things he does. He has grown so much since starting with us when he was three months old! We have loved watching him grow from a cute and cuddly infant into a sweet little boy who loves to play and learn! You can always find Ripley walking around and exploring the room, he loves to find new toys to play with. He really likes to play catch and throw the ball to his teachers and one of his favorite things to do is to play with the toy vacuum. He likes to pretend to vacuum the room and is always full of smiles. It is especially cute how when he hears the clean up song he goes and grabs the toy vacuum right away, it always makes his teachers laugh and smile. Ripley loves to be a little helper and help his teachers put the toys away during clean up time. He is very sweet and friendly and he loves to play with all of his friends. He is also very smart! He loves to do Circle Time and is always very curious. He also likes to sort the shapes with the toy shape sorter and is very good at it, he always claps and smiles when he is all done with it, which is just adorable! This happy and handsome little guy is always having the best time and brightens up the room each day he is here. We are excited to continue to watch him learn and grow! Congratulations Ripley!! We love you!!!
