#### STAR TEACHER

We are so proud to celebrate Miss Tonia as our Star Teacher! She has been a beloved member of the Bunny Bunch family for over 15 years, and her dedication, passion, and heart have made her an incredible asset to our team from day one. Currently one of our Infant Room lead teachers, Miss Tonia has also spent many years guiding little ones in our Toddler Room. With this experience, she does an exceptional job preparing our older infants for their next big adventure. She brings learning to life every day—reading stories, exploring shapes, colors, and numbers, and making every moment fun and meaningful for the children in her care. As one of our morning openers, she sets the tone for success each day with her reliability, organization, and warm, welcoming spirit. Her coworkers know they can always come to her with any question, and she is quick with an answer, a solution, or a helping hand. Her dependability and knowledge make her someone everyone trusts and appreciates. The love she shows each child is unmistakable. Her current students—and even former ones—light up when they see her, greeting her with joy whether they're coming into the Infant Room or she's visiting other classrooms. Families adore her, children adore her, and we couldn't imagine our Bunny Bunch community without her. Thank you, Miss Tonia, for your kindness, your commitment, and your willingness to jump in wherever you are needed. Congratulations Miss Tonia, we are truly grateful to have you on our Bunny Bunch team!

### MONTHLY THEME

This December, the Infant Room is filled with holiday cheer as we celebrate "A Snowy Christmas!" The babies will be engaging in fun and festive activities that help prepare for the season. We're excited for a month filled with joyful moments and festive creativity! Our little ones will get crafty by painting stripes on a candy cane craft, gluing colorful tissue paper to make beautiful ornaments, and adding cotton to Santa's beard for a fun, sensory experience. These hands-on activities will not only allow them to explore textures and colors but also help develop their fine motor skills. The holiday spirit will continue with lots of dancing to jolly Christmas tunes and singing festive songs. We'll decorate a toy Christmas tree, allowing the babies to explore textures and colors, as well as enhance their coordination and motor skills. The holiday season wouldn't be complete without stories! We'll read a variety of cute and cozy Christmas books to share the magic of the season, fostering language development and sparking their imaginations. We can't wait to celebrate this special time of year with your little ones and make December a month full of memories and holiday joy!

# INFANT STAR OF THE MONTH

Our Infant Room is feeling extra merry and bright this month because our December Star of the Month is Isabel! Even though Isabel joined us just a few months ago, she has already captured all of our hearts! She is such a sweet and lovable little girl, and everyone here at Bunny Bunch absolutely adores her. Isabel has the most precious smile that can light up the whole room—just like the twinkle of Christmas lights! Isabel is playful, silly, and always making us laugh. She loves spending time with her friends, playing so kindly and happily with everyone. She's also quite the little explorer! Isabel crawls all around the room (so fast!) and is now starting to pull herself up—such an exciting milestone! Her curious and adventurous spirit makes every day full of fun and discovery. Music time is one of Isabel's favorite parts of the day—especially when she hears a Cocomelon song! Her little dance moves are absolutely adorable and always bring big smiles to everyone's faces. We are so lucky to have this beautiful, joyful girl in our Bunny Bunch family. Watching Isabel grow, learn, and shine is the best gift of all this holiday season. Congratulations, Isabel, our December Star of the Month! You make our days merry, bright, and full of love! We love you!!!
