Savannah has been with Bunny Bunch for just over a year, and in that time, she has truly become an invaluable member of our team. Savannah is always on time and incredibly reliable, never hesitating to help wherever she is needed. Whatever we throw at her, she is ready! Savannah never calls in and is always willing to stay later or work longer shifts anytime she can. Her positive attitude shines through any situation, and she always approaches every task with a smile. As one of our closers, Savannah plays an essential role in setting the center up for success the following day. She is a true team player, capable of working in any room, and consistently goes above and beyond. Savannah's rapport with the children and her coworkers is nothing short of amazing. The kids absolutely adore her, and it's clear to see when they get so excited to see her each day. Her ability to connect with them and create a positive, nurturing environment is truly special.
