DECEMBER 2025

Star Teacher

We are so proud to celebrate Miss Tonia as our Star Teacher! She has been a beloved member of the Bunny Bunch family for over 15 years, and her dedication, passion, and heart have made her an incredible asset to our team from day one. Currently one of our Infant Room lead teachers, Miss Tonia has also spent many years guiding little ones in our Toddler Room. With this experience, she does an exceptional job preparing our older infants for their next big adventure. She brings learning to life every day—reading stories, exploring shapes, colors, and numbers, and making every moment fun and meaningful for the children in her care. As one of our morning openers, she sets the tone for success each day with her reliability, organization, and warm, welcoming spirit. Her coworkers know they can always come to her with any question, and she is quick with an answer, a solution, or a helping hand. Her dependability and knowledge make her someone everyone trusts and appreciates. The love she shows each child is unmistakable. Her current students—and even former ones—light up when they see her, greeting her with joy whether they're coming into the Infant Room or she's visiting other classrooms. Families adore her, children adore her, and we couldn't imagine our Bunny Bunch community without her. Thank you, Miss Tonia, for your kindness, your commitment, and your willingness to jump in wherever you are needed. Congratulations Miss Tonia, we are truly grateful to have you on our Bunny Bunch team!

DECEMBER NEWS

Monthly Theme

This December, the Infant Room is filled with holiday cheer as we celebrate "A Snowy Christmas!" The babies will be engaging in fun and festive activities that help prepare for the season. We're excited for a month filled with joyful moments and festive creativity! Our little ones will get crafty by painting stripes on a candy cane craft, gluing colorful tissue paper to make beautiful ornaments, and adding cotton to Santa's beard for a fun, sensory experience.

These hands-on activities will not only allow them to explore textures and colors but also help develop their fine motor skills. The holiday spirit will continue with lots of dancing to jolly Christmas tunes and singing festive songs. We'll decorate a toy Christmas tree, allowing the babies to explore textures and colors, as well as enhance their coordination and motor skills. The holiday season wouldn't be complete without stories! We'll read a variety of cute and cozy Christmas books to share the magic of the season, fostering language development and sparking their imaginations. We can't wait to celebrate this special time of year with your little ones and make December a month full of memories and holiday joy!

- We will be sending home any swaddles or sleepsacks at the end of each week to be washed. Thank you!

INFANT ROOM

STAR STUDENT

We are so excited to celebrate **Bentley** as our Star of the Month! Bentley is turning one year old this month, and we've been lucky enough to watch him grow since he was just a few months old. In that short time, he has already become one of the sweetest and smartest little boys in our Infant Room. Bentley brings so much joy to our days—his big, bright smile can light up the entire classroom and is truly contagious. He loves greeting everyone he sees with a cheerful wave, and his gentle, kind nature makes him a wonderful friend to all. He absolutely adores playing with his classmates and is always happy to share giggles, toys, and fun moments. This silly, sweet boy loves music, dancing, and listening to stories. He is incredibly active and always on the move! Bentley has fully mastered crawling and is constantly pulling himself up on anything he can find—we know walking is just around the corner. He enjoys any toy that moves or makes noise, especially cars, trucks, instruments, and of course, singing “Five Little Monkeys!” Bentley is such a special little guy, and we feel so fortunate to watch him grow, learn, and shine each day. We know he is destined for great things, and we can't wait to see all the amazing milestones ahead. Congratulations, Bentley! Keep up the great work! We love you!!!

TODDLER ROOM STAR STUDENT

Cali is our shining star in the Toddler Room! She will be turning 2 years old soon, and her bubbly personality lights up our classroom each and every day. Cali is always ready for fun—whether she’s learning, exploring, or playing, she brings endless energy and excitement to everything she does. During Circle Time, Cali is a superstar participant. She loves singing along to our books, shouting out shapes, and joining in with all the songs and motions. Her enthusiasm doesn’t stop there—Cali is full of energy and loves hopping like a bunny, stomping like a dinosaur, and running all around the playground with her friends. Cali enjoys puzzles, sensory bins, and popping bubbles, and she can often be found acting out dramatic dinosaur scenes with her favorite toys. She puts wonderful effort into her coloring and crafts, and she has such fun building with Legos and blocks (especially when she gets to knock them down afterward!). She also loves to read, and her favorite book is “5 Little Monkeys Jumping on the Bed.” Music time is another favorite—Cali always has a blast singing, dancing, and banging on the drums. Cali is not only fun-loving but incredibly sweet and cuddly. She gives her teachers the best hugs throughout the day and always brings joy with her silly, dramatic play. She loves showing off how smart she is by naming all her shapes and “reading” through her favorite books. Her kindness toward her friends, her adorable smile, and her little raspy voice make her truly one of a kind. We are so grateful to have watched Cali grow from a tiny baby into the bright, fun, sweet girl she is today. We are constantly impressed by her progress, her imagination, and everything she is learning. Cali, we are so proud of you—keep shining Congratulations, Cali! Keep up the great work! We love you!!!
